Pebble EIS Outline Chapter Assignments.docx

Hi Matt-

Attached is the Corps' proposed EIS outline for Pebble.

Each section denotes cooperating agency assignments, where the Corps has requested assistance in developing the information in that section of the document.

Lets plan to discuss this at the team meeting this Thursday.

But feel free to call me in advance.

Thanks-

Patty

Hi Patty,

The attached document is annotated (in red) with my notes of which agency was assigned to be part of the resource teams for each section of the EIS during the meeting yesterday. (question marks indicate the "maybes")

Thanks,

Molly
